Re: Bangpoo Facilities Resume Operations

To: The President
The Stock Exchange of Thailand

With reference to the temporary closure of Delta Electronics (Thailand) Public Company Limited Bangpoo facilities since August 30, 2021 due to the flooding situation in the Bangpoo Industrial Estate on August 29, 2021, the company's Bangpoo facilities in the Bangpoo Industrial Estate will resume operation on August 31, 2021 starting from the night shift.

The company has insurance policy covering the damages caused by the flooding.

The company's production facilities in Wellgrow Industrial Estate in Chachoengsao is still operating normally and has not been impacted by the flooding.

Yours sincerely,

Wilailak Fungthanakun
Company Secretary
