To: The President
The Stock Exchange of Thailand

Re: Clarification regarding the significant increase of securities trading status

According to the letter of The Stock Exchange of Thailand dated September 2, 2021 requesting Delta Electronics (Thailand) Public Company Limited (the “Company”) to clarify for any major development which results in the significant increase of the Company’s securities trading volume and trading price recently.

The Company would like to inform that the Company has no significant development that would affect the securities trading volume and trading price of the Company.

Please be informed accordingly.
