

Delta Thailand Briefing

FY2023 Earnings – Twelve Month Period Ended 31 December 2023

February 2024

Delta Confidential

Corporate Mission

To provide innovative, clean and energy-efficient solutions for a better tomorrow.

1,508 Delta PV inverters with up to 98.6% efficiency support a 75.4MW solar energy project in Denmark to power 32,250 homes / year

Brand Promise

Smarter. Greener. Together.

“Smarter”

is our continuous innovation in power electronics technology.

“Greener”

represents Delta's mission since our founding.

“Together”

is our business philosophy in building long-term partnership with our stakeholders.

Corporate Culture

Integrity

Honestly dedicated to achieving quality with our work, upholding the highest level of professional standards and matching our words with action.

Innovation

Looking ahead to discover future possibilities, embracing continuous learning to innovate on creative solutions and breaking through the status quo.

Collaboration

Creating synergetic partnerships that achieve shared goals with agility and precision, putting partners, clients and users at the center of our collaborative efforts.

Inclusion

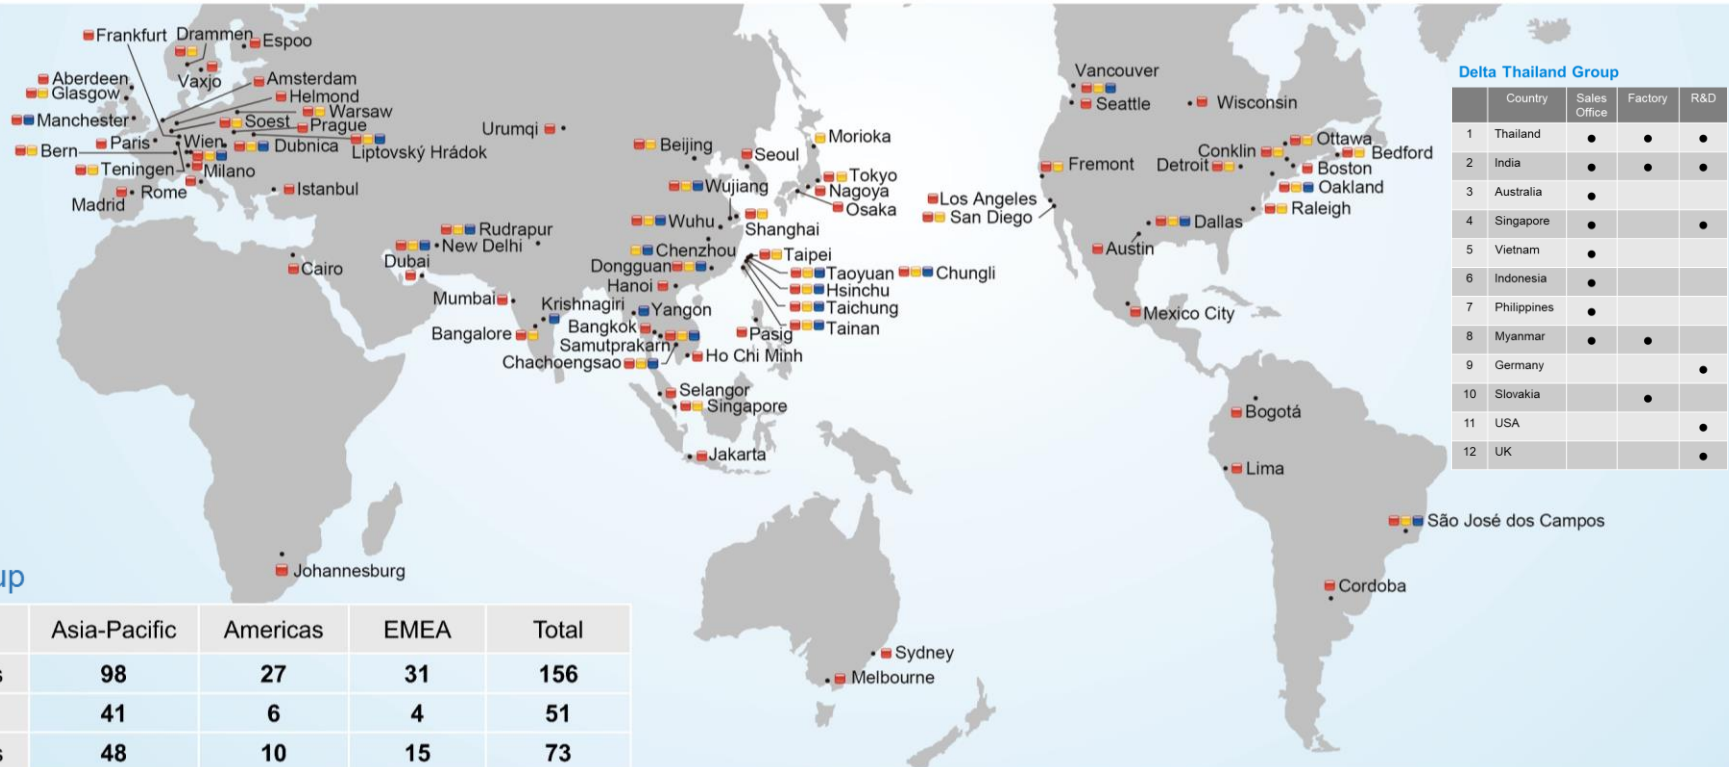

Open to diverse perspectives, respecting of differing opinions and inclusive of various backgrounds that offer unique contributions.

Empowerment

Achieving our own success by empowering others to realize their own goals, encouraging active and enthusiastic growth to fulfill everyone's potential.

Delta Group Global Operation

Delta Group

	Asia-Pacific	Americas	EMEA	Total

■ Plant Sites	41	6	4	51
■ R&D Centers	48	10	15	73

Delta Group Overview

- **Founded in 1971**
- **World's Leader in Switching Power Supplies and DC Brushless Fans**
- Dedicated to providing:
 - Telecom Power Systems
 - Industrial Automation
 - Passive and Magnetic Components
 - Networking Products
 - Visual Displays
 - Data Center Infrastructure
 - Renewable Energy and Energy Storage
 - EV Charging Infrastructure

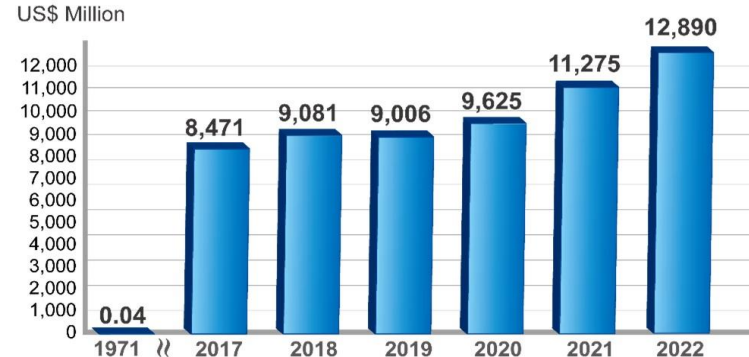

Bruce Cheng
Founder and Honorary Chairman

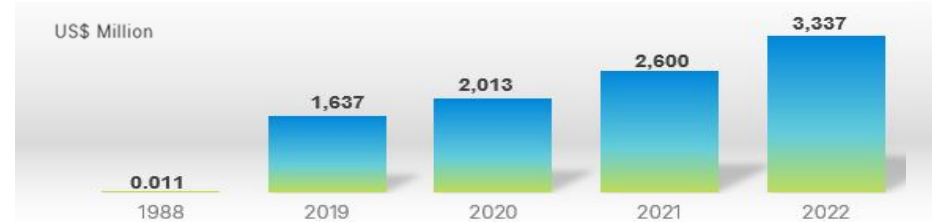

Yancey Hai
Chairman

Worldwide Revenues

Delta Thailand Overview

- **Founded in 1988**
- **Thailand's largest SET-listed electronics manufacturer on the Stock Exchange of Thailand**
- **Business management center** for Southeast Asia, India and Australia/ New Zealand markets
- **Product development management center with R&D centers in Bangkok (Thailand), Soest/ Teningen (Germany), UK, USA, India**
- **Manufacturing management center** to synergize advanced technologies and highly efficient production across manufacturing plants in Thailand, India, Slovakia

Group R&D

EAST KILBRIDE, SCOTLAND – UK

GURGAON, INDIA
Telecom, UPS, Video wall

BANGPOO, THAILAND
Storage, Server, Industrial

Delta Thailand Diversified Production Facilities

Strategic locations of Thailand factories

Delta Thailand's manufacturing plants are built near important seaports and international airport to ensure efficiency and security of logistics for global and regional delivery.

Country	Location	Occ %*	Product
Thailand	Bangpoo: Plant 1	78%	Automotive Electronics Product
	Bangpoo: Plant 3	84%	DNI Delta networking product Magnetics & Solenoids Product for Internal Use
	Bangpoo: Plant 5	100%	IT/ Appliance/ Industrial Power Solutions/ Customer Design Power/ Communication & Information Solutions/ Industrial & Medical Power
	Wellgrow: Plant 6	58%	DC Fan/ EMI Filter & Solenoids
	Wellgrow: Plant 7	88%	Computer & Networking/ DC Power
India	Gurgaon	88%	Display solutions products/ Industrial Automation
	Rudrapur	99%	Telecom Power System/ UPS/ Wind Power Converter
	Krishnagiri	82%	Power Supply/ Industrial Automation
Slovakia	Nova Dubnica	75%	Medical & Industrial Power Supply/ Bulk Power/ Telecom Power System
	Liptovsky Hradok	85%	Eltek Telecom Power System

* Occupancy As at 31 December 2023

Major Shareholders

A subsidiary of Delta Electronics, Inc. (Taiwan)

Top Shareholders (as of 1 March 2023)

High Value Added Products & Solutions

To deliver best in class solutions with energy efficient and sustainable technology

Success Stories of Delta Group

Building control system for a luxury hotel in Tampa Bay

1,500 PV inverters for the largest ground-mounted solar park in Southern Germany.

EV charging solutions installed all across Europe

Modular UPS systems and InfraSuite Manager DCIM systems for cloud services provider in the Netherlands

EV Charging Station that is capable of assisting disaster response for the city of Yokohama

4.6 MW distributed solar power system with energy storage system in Ako, Japan

2MW/1MWh Energy Storage System for Xia Xing Power Station on Kinmen Island

Building management solutions provided by subsidiary Delta Controls for more than 180 buildings at a university in the eastern U.S.

Outdoor telecom power solutions with integrated PV systems for a telecom operator in Africa

Renewable energy solutions featuring subsidiary Eltek's Rectifier for 104 Hospitals in Zimbabwe under the UNDP's program

Modular containerized data center solution for a submarine cable landing station in Myanmar

Smart streetlight total solution including 21,000 LED streetlights for smart city project in Jakarta

Mobile plant-growing control system facilitating agricultural automation in New Zealand

One of the world's largest video wall with 324 DLP 80" cubes and DVCS system in China

Cross-system, cross-area building automation systems for Xi'an International Medical Center

Building management solution from subsidiary LOYTEC for Yangzhou Canal Grand Theater in China

High-power UPS solutions for Aibaba

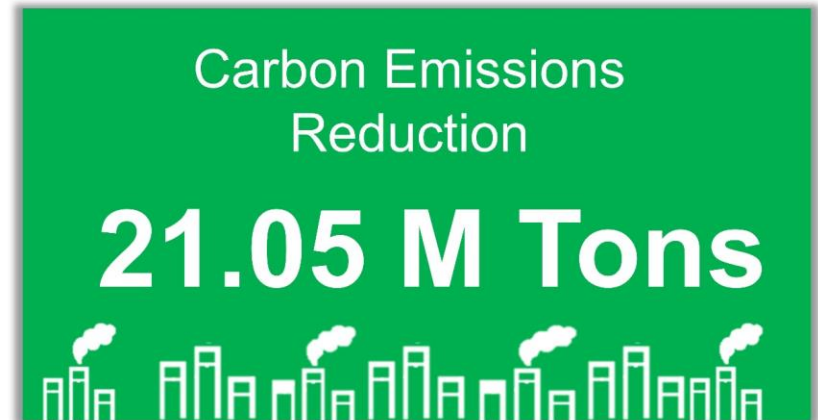

Cloud-based energy management system for a large home appliance factory

Energy Savings for Customers

From 2010 to 2022,
Delta's high-efficiency products & solutions enabled:

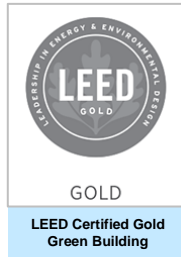

Thailand

Bangpoo Plant 5 (HQ)

- Established in 1999
- Producing DC-DC Converters, Consumer Electronics Adaptor, Server, Networking, Telecom and Energy Storage Power Supplies
- R&D facility
- 778,250ft² (72,300m²)

Bangpoo Plant – Plant 1

- Established in 1990
- Producing Automotive Electronics
- 272,550ft² (25,320m²)

Bangpoo Plant – Plant 3

- Established in 2019
- Producing Networking Products
- 155,000ft² (14,400m²)

Thailand

Wellgrow Plant 6

- Established in 2001
- Producing DC Fans, EMI Filters, Magnetic Components and Solenoids/Valve
- R&D facility
- 376,600ft² (35,000m²)

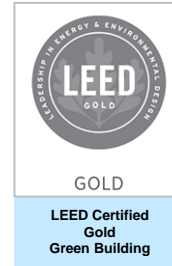

High-tech Parylene Coating Process

Wellgrow Plant 7

- Established in 2021
- Producing DC-DC Converters, Server, Networking and Storage Power Supply
- 531,758 ft² (49,402m²)

Plant 8 and R&D Center

- To be operational in Q1' 2024
- Mainly for EV and ICT-related products to meet growing demand
- Both manufacturing and RD facilities
- 327,223ft² (30,400m²)

India

Gurgaon Plant
(Head Office)

- The company was established since 1992 with current building in operation since 2009
- Major products: Display solutions
- R&D facility
- 118,403ft² (11,000m²)

IGBC Certified
PLATINUM Green
Building in
association with
LEED

Rudrapur
Plant

- Established: 2008
- Certified Gold rated Green Building
- Major products: Telecom Power Systems and UPS
- 215,284ft² (20,000m²)

IGBC Certified
GOLD Green
Building in
association with
LEED

India

Bengaluru R&D

- Fully operational: Q3 2023
- Main R&D center for India
- Products: Railways(PQC), EV, solar, two wheeler charging
- 209,896.5ft² (19,500m²)

Krishnagiri Plant

- Established: 2020
- Mainly for EV and ICT related products to meet growing demand
- 2,530,836ft² (235,122m²)

Slovakia

Dubnica Plant

- Established since 2007
- Major products: High end Server Networking, Industrial, Medical, Solar Inverter, Telecom Power System, EV chargers
- Total land area: 72,000m²
- IMS: ISO 9001/14001, OHSAS 18001
- Medical: ISO 13485

Liptovsky Plant

- Established since 2022
- Major products: Cabinets, IT and Telecom Power Solutions
- Total land area: 5,100 m²

Germany

Soest

- Developing advanced power products for storage, server, telecom, networking, automotive and wind energy.

Teningen

- Established since 2022
- Major products: Cabinets, IT and Telecom Power Solutions
- Total land area: 5,100 m²

Delta is Everywhere

We Provide the Answers with High Value Added Products & Solutions

*Delta datacenter
for leading telco
in Vietnam*

*Delta provides Mitsubishi
Thailand with EV charger
and battery solutions*

*Delta security
cam in Bangkok's
public transport*

*Delta EV chargers in
major Bangkok mall*

Power Electronics Components

Power Chokes
for Portable Devices / Cloud Computing / Automotive
Ultra Small Sizes down to $1.2 \times 1.0 \times 0.6 \text{ mm}^3$
Max Operating Temp. 180°C

Optical Transceiver
Modules

RF Modules

EMI Filters / Solenoids

Power Magnetic Components
for Portable Devices /
Industrial / Automotive Applications

Power Modules for Portable Devices /
Cloud Computing / Industrial Applications
Smallest Sizes down to $2.0 \times 2.5 \times 1.1 \text{ mm}^3$

Current Sensing Resistors for Portable Devices /
Automotive / Industrial Applications
Small Sizes down to 0201mm High Wattage up to 36W
Automotive Shunt Sensor Modules
High Accuracy $\pm 0.1\%$ / ASIL-C

Miniaturization Fuse Resistance Protectors
Small Sizes down to $4.0 \times 3.0 \times 0.85 \text{ mm}^3$
